

USING THE HLVC CORPUS

You are being given access to data and/or transcriptions from the *Heritage Language Variation and Change in Toronto* Corpus for your research, for use as agreed upon below. We encourage use of our data for a wide range of academic/research purposes, but need to keep track of how it is used. A signed copy of this form both gives you permission for a specific use and allows us to maintain records. We request that, in exchange for using the data, you send us a copy of any paper you write that uses the data and copies of all ELAN .eaf files you produce from these data.

I accept the following conditions:

Any report based on this corpus will include the following acknowledgement:

The *HLVC Corpus* is funded by research grants from the *Social Sciences and Humanities Research Council of Canada* 410-2009-2330 (2009-2012) and 435-2016-1430 (Naomi Nagy, PI).

The appropriate citation for the project's data collection methods and corpus is:

Nagy, N. 2011. A multilingual corpus to explore geographic variation. *Rassegna Italiana di Linguistica Applicata* 43.1-2:65-84.

No information whatsoever (i.e., names, excerpts of interviews) enabling identification of informants shall be included in my text, except where a specific participant's consent form explicitly permits it.

When citing the materials (in the *sole* interest of illustrating a linguistic point), such citation will not exceed several lines, and will be accompanied by the speaker ID code.

Materials contained in the corpus will not serve as the basis for personal judgments about the opinions, personality or language of the informants.

I will not attempt to contact the informants, nor to interfere in any way in their personal lives.

The data will be used by the undersigned only. It may not be duplicated, circulated or otherwise transmitted to any parties.

I understand that any work done on this corpus is for the sole purpose of conducting research on the following topic(s), in the following language(s):

I intend to present this work in the following oral or written contexts (e.g., course paper, thesis, conference presentation, journal submission):

I agree to provide a copy of any written work that I produce using these data to the HLVC group.

I agree to make no other presentation or article based on this material without consultation with Dr. Nagy.

I agree to make no presentation or article based on any *other* use thereof without entering into a separate written agreement to that effect with Dr. Nagy.

I agree to provide copies of any ELAN annotation (.eaf) files that I produce using these data, which will be added to the corpus and may be made available to other researchers.

I have understood the conditions outlined in this agreement, as well as those in Research Ethics Protocol #24041, and agree to abide by them. The approved form is available at:
