

Extending ELAN into Variationist Sociolinguistics

Naomi Nagy & Miriam Meyerhoff

naomi.nagy@utoronto.ca

miriam.meyerhoff@vuw.ac.nz

1. To participate in this workshop, please bring/share a laptop. On it, you should have:

- a. a text editor (e.g., TextEdit, but Word is ok)
- b. a spreadsheet editor (e.g., Excel)
- c. **ELAN** (for Windows, Mac, Linux)

(Download and install from <http://tla.mpi.nl/tools/tla-tools/elan/download/>)

2. The following files (http://projects.chass.utoronto.ca/ngn/pdf/NWAV2014_ELAN.zip):

- 0. Celeste.wav
- 1. Celeste transcript ING marked.doc
- 2. Celeste transcript saved as.txt
- 3. Celeste time stamps.txt
- 4. celeste transcript to import.txt
- 5. Celeste segmented.eaf
- 6. Celeste transcribed.eaf
- 7. Celeste with tiers for coding.eaf
- 8. Celeste coded.eaf
- 9. Celeste coded exported.txt

3. Handouts for this workshop are also included in the .zip file, including this sheet.

If you want to be able to examine parts of your file with Praat from inside ELAN, see

http://projects.chass.utoronto.ca/ngn/pdf/Installing_and_Using_Sendpraat.pdf.

We will not cover this in the workshop.
